WHAT YOU GET WHEN YOU WORK WITH LOWEN SIGN COMPANY

We know you're busy. That's why Lowen Sign Company is continuously improving the products and services we provide. Order tracking and management tools at lowensign.com make it easy to reorder your yard signs and see what orders are on the way. You can even order signage on-the-go with your mobile device!

This hassle free experience is made even better with the fastest production time in the industry. Once you approve your order, signs are produced in just 3 days. They're then shipped promptly with tracking info provided in your lowensign.com account.

"I had called another company for a quote before ordering from Lowen. They were higher in price and wanted to charge me more because I was concerned about the delivery time. I went online at Lowen and before I pushed send, I called in and got a customer service representative. She walked me through things and helped to expedite my order which went out in record time."

Aluminum Composite Bolt On Panels

Aluminum Composite Reflective Bolt On Panels

WHAT MATERIAL IS RIGHT FOR ME?

POWDER COATED STEEL

A strong material for the highest quality sign. Powder coated to prevent rust and for a porcelain finish. Includes protective clear coat.

PVC

Durable and lightweight material. Printed with high-gloss finish. Our PVC is non corrosive with low flammability and high impact strength.

CORRUGATED PLASTIC

These rigid panels can be printed single or double-sided and cut-to-shape. Our most economical option is great for directional signs.

ALUMINUM COMPOSITE

Very strong but lightweight substrate produced by bonding two aluminum sheets to a polyethylene core. Includes protective clear coat.
